Transformation

- Prayer is the central avenue that God uses to transform us

Participation

- “Prayer is the act by which we divest ourselves of all false belongings and become free to belong to God alone.” Nouwen
- “Prayer therefore is the act of dying to all that we consider to be our own and of being born to a new existence which is not of this world.” Nouwen

Love of God

- “Prayer is the way to both the heart of God and the heart of the world—precisely because they have been joined through the suffering of Jesus Christ....Praying is letting one’s own heart become the place where the tears of God’s children merge and become tears of hope.” Nouwen

Blessing of Life

- Prayer is the means to abiding in Christ
