

Kitchen Donations

Our Northview Kitchen ministry team has been very busy in the kitchen this past year with co-ordinating events such as monthly potlucks and pancake breakfasts to our most recent community outreach and Christmas lunch events this past weekend. As a result, they have come forward with a need for the following items:

- pairing knives (2)
- cutting boards (2-3)
- trivets (4-5)
- aprons (3-5)
- oven mitts (2-3 pair)
- large food storage containers

If you are able to donate any of the above items (either new or gently used), it would be greatly appreciated. For further information or have any questions, please don't hesitate to contact Shelly Kainz, kainz.shelly@gmail.com or 306-737-0188, for more information.

Odd Jobs

Here is our updated list of jobs that need to happen around the church, if you have time and ability to address something you take it on — just let Dylan know you're doing it and coordinate with the staff around timing. Or, for the bigger jobs, if you're willing to help on a team let him know. Also, if you have a profession that deals with an area and you don't want to do it as an individual but your company would do it for pay let us know that, we want to create a list of who to call for what, i.e. electrical or plumbing. Below is a list of current projects:

- Read meters and submit
- Spring and fall clean
- Basement ceiling
- Garage Fix
- Garage organize and take to dump
- Fix all light covers downstairs
- Bottom of stairs carpet and baseboards
- Westwing main entrance door leaking
- Fix drywall in classroom at bottom of stairs
- Basement Toilets need replaced
- Get rid of old book shelves furniture that's not being used downstairs
- Fix tint on front windows
- Set and check mouse traps
- Build Box around safe
- Outside east sidewalk-Metal drain covers need fixed or replaced
- Gardens and Grounds looking for leader
- Duct cleaning
- Clean air intakes
- Modify/finish sanctuary sound panels
- Need new AC Box around old unit
