- Please pray for Chad Frentz's uncle Ernie and aunt Darlene. Ernie had multiple bypass surgery in late May. They have had to return to the hospital many times struggling with infections and trauma in his leg, especially where arteries were removed. He is in a lot of pain.
- From Bev Graham: 16 years ago our church prayed for a boy in Norway named Haldor. He is 17 now and he has just recovered from pneumonia, but has an issue with his heart. Please pray for his heart to heal, both physically and spiritually.
