

- Please pray for David Schuchardt's Aunt Sharon who is waiting on blood results to find out if she has bone marrow cancer.
- Please pray for Mary Anne Bersht who has lost a toe and most of the skin from the bottom of her foot as a result of an infection.
- Please pray for James & Malia Brackpool whose son Ben was born very early and is struggling with lung development and breathing.
- Please pray for recovery for Lisa Hay from a recent concussion.
- Please pray for the Richardson family: for Jessica's healing after her c-section and for John as he awaits an upcoming knee surgery and recovery.
- Please pray for Trish Derbyshire as she has an infection in her body and is waiting to see her doctor for treatment. Also for healing in Mike's eye.
- Please pray for Keith's friend Simon. Simon's father was diagnosed with late-stage leukaemia. As well, Simon's mother suffers from mental illness so she will need care once her husband passes away.

- Please pray for Shirley Kachuik's daughter and husband. Shirley's daughter is 6 months pregnant and the baby has a heart defect which need surgery immediately after birth.
- Please continue to pray for Debbie Kach's daughter Kristin who is being treated for leukaemia. She is undergoing chemo but she's having an adverse reaction to it.
- Please pray for Dylan Lougheed's Crohns/Colitis and Joint pain. Dylan and Tiffany are asking God for divine healing and that they will be able to see and accept the direction God is pointing them in.
- Please continue to pray for Bev Graham's cousin Haldor as he awaits test results.
- Thank you for praying for Norma Trower's daughter, Larissa. The hole in the baby's heart is healed and does not require surgery!
