Chapter 8: "Praying the Good News"

1. Have you experienced what Wright describes, praying the Lord's Prayer backwards?
2. As Wright works backwards through the prayer is there anything he says that is surprising or new?
3. Do you now see the Lord's Prayer in a new light as a means of becoming a Good News person?
4. How will understanding Jesus's prayer in this new way change the way you pray it and live it?
