Building A Discipling Culture

Part One: Understanding Discipleship

Chapter One: “The Challenge”

1. Have you experienced the kind of rapid culture change from technology that Breen describes? If so, what has that been like for you?

2. Do you agree that “how do we make disciples,” is *the* question we must ask and answer? Why or why not?

3. Why is it important to ask whether the lives of our church people look like the lives of the people in Scripture?

4. Who builds the church and who makes disciples? What’s the difference and why is that difference important?
