

# Christian Education

## Fall 2019

### Discipleship

#### Introduction

This year for our Christian Education we are doing something a bit different. Rather than doing a text and interpretation of a particular book of the Bible, focusing on theology, or reviewing history we are going to create a learning community. Our learning community will be reading and thinking together around the topic of discipleship. Our desire at the end of this ministry year is to create a document which describes what a discipleship culture should look like at Northview.

#### Texts

For our first semester we will be using two texts:

- Hull, Bill. *The Complete Book of Discipleship: On Being and Making Followers of Christ*. Colorado Springs, CO: Navpress, 2006.
- *The Gospel of Matthew*.

#### Recommended Text

- Mulholland, Jr., M. Robert. *Invitation to a Journey: A Road Map for Spiritual Formation*.
