## *Building A Discipling Culture*

### Part One: Understanding Discipleship

### **Chapter Three: “What It Means to Learn”**

1. What information needs to be transmitted by a classroom style of learning? (22) Where do you see this happening at Northview (if anywhere)?

---

---

---

---

2. Which discipleship skills need to be taught through apprenticeship? (23) Where do you see this happening at Northview (if anywhere)?

---

---

---

---

3. What aspect of discipleship happens through immersion? (24) Where do you see this happening at Northview (if anywhere)?

---

---

---

---

4. What would interplay between these three aspects of learning look like for discipleship? (26) Where do you see this happening at Northview (if anywhere)?

---

---

---

---

5. Do you agree that immersion can only happen if we are fluent in something? (27) Why or why not?

---

---

---

---

---

6. Breen seems to claim that the church leans towards instruction with little to no apprenticing and immersion. (28–29) If you agree, why do you think this is?

---

---

---

---

---

7. If we were to adopt what Breen says Jesus did to disciple his disciples, what would that look like in the life of Northview? (32)

---

---

---

---

---

8. What is the role of the Spirit in this model of discipleship? (36–37)
