

Society Meeting Materials

On Sunday, February 9th we will be having our annual Society Meeting. This is open to everyone who calls Northview home, but it should be particularly important to, and attended by partners of Northview. In the foyer you will find some items related to this meeting that we are asking you to do something with ahead of the meeting.

Candidates

You will find a poster board of candidates. The first group are three candidates to join our official Board for their first term of three years (2020–2022). The second group is a candidate to join our Nomination team. You are asked to prayerfully consider the suitability of these candidates. If there is a reason why you think a candidate is not fit to serve we ask that you follow the Matthew 18 process of approaching that person and discussing your issue. If you cannot reach resolution, then we ask you to contact the nominating team (Bev, Chad, Melanie, and Karen) and let them know your concerns. Our desire is for you to be ready to mark your ballot with a 'yes' at the meeting.

Package

Once again this year we have produced a Society Meeting package. This includes the agenda for the meeting, the minutes from last year's meeting, the proposed budget for this year. We ask that you read through these so you are ready to proceed when we have our meeting.

- If you have any concerns about the agenda please contact Chris Fisher (Chair)
- If you have any amendments to last year's minutes please contact Jeremy Guebert (Secretary)
- If you have any questions about the proposed budget please contact Michele Morrison (Treasurer)

By dealing with these items ahead we will have more time to pray over our ministries and plans for the coming year.

Also in that package are ministry reports. These reports will help you to know what we have been doing as a group over this last ministry year, as well as what we would like to do this year. You will find opportunities to join in and participate in ministry here at Northview. You will also find requests and direction for your prayers. Please take the time to read these and to pray for this work.

Finally, you will find our new mission statement with an explanation of how it came to be and what it means. Then we have included our reworked value statements. These are two important documents that will help us focus our ministry efforts over the coming years. If you would like to know more, please contact Pastor David.

Hebrews

Hebrews is a part of our welcome ministry. Every week people use Hebrews as they come for worship together. During the week ministries utilize it as they welcome in members of the community. Coffee and tea can contribute to our free atmosphere of worship and make ministry more relaxed. However, as our attendance grows and we add more ministries (both are great) there is a growing expense to Hebrews. We would like your help to off set that expense. If you call Northview home, please consider dropping a \$5 bill from time to time in our new donation box on the Hebrews counter. This will help to fund this important ministry that runs through the whole week at Northview.
