

The Complete Book of Discipleship

Questions for Chapter 8

1. Have you ever experienced being coached or coaching? What were the benefits to that type of relationship?

2. As we've been talking about discipleship, where do you see the role of coaching fit best in the discipleship journey?

3. Can you articulate the difference between coaching and mentoring? Do you find the difference significant and important?

4. How does a mentor lead a mentee to become free from self-reliance and a self-sufficient spirit?

5. Hull says that only God can create personhood and help a person find how they fit into the scheme of things, but goes on to say that God uses mentors to realize how important they are in Christ; what is the balance?

6. What do you think of Kierkegaard's approach to how disciples should engage God's Word?

7. Is Spiritual Direction an important practice for the church today?
