

Essentials of Christianity

Essentials of Christianity. As the church, each of us has been called on by Jesus to “go and make disciples of all nations.” (Matthew 28:19) That means that every one of us is called on to share our faith in the spheres of influence we have been placed: in our neighbourhood, at our jobs, in our families, and where we spend time in recreation. With this in mind, this sermon series is meant to equip each of us to share the basics of our Christian faith. Over 6 weeks we will examine what are the essentials of the Christian faith.
