Jody Pfeifer

February 18, 2018

Jody has been on staff at the Free Methodist church in Weyburn for over 15 years. During that time, she has served the church in the areas of worship, small groups, ladies and senior's ministry and membership. Today, she combines all that experience in order to serve in the area of Family Life.

She married her bible college sweetheart over 25 years ago. They couldn't be prouder of their 2 college kids, and are quite happy and content with their quiet little empty nest in the prairies.

Jody believes that Jesus is the Way, the Truth and the Life. And she believes that the Church is the very best place to learn more about Him and the purpose He has for each and every person. From administering programs for children, to providing hospitality towards new people, to caring for the grieving, Jody cheerfully dedicates her life to serving the Church.
