

Transforming Discipleship

Questions for Chapter 8

1. What do you think of Ogden's four environmental conditions as being necessary for a hothouse effect?

2. Are all of the stages of trust development that Ogden lists necessary for trust to actually grow? Why or why not? Draw on your own relational experience.

3. Can we help people who have never read the Bible to understand Scripture well enough to then teach others?

4. How do you react to the idea of establishing a discipleship covenant with a micro group of people? Is there a difference between this and counting the cost of following Jesus?

5. What do you think of the terms of Ogden's discipleship covenant?

6. Are Ogden's suggestions for micro groups to engage in mission good ones? Would you add any or push back at all?

7. How do you respond to figure 8.1?
