

Theology of the Holy Spirit

Facilitators: Sean Brewster and David Schuchardt

When the day of Pentecost came, they were all together in one place. Suddenly a sound like the blowing of a violent wind came from heaven and filled the whole house where they were sitting. They saw what seemed to be tongues of fire that separated and came to rest on each of them. All of them were filled with the Holy Spirit and began to speak in other tongues as the Spirit enabled them. (Acts 2:1-4)

The Holy Spirit has been poured out on the church on the day of Pentecost. As a result, believers are indwelt by the Spirit and are meant to operate in the power of God's Spirit. Yet, many believers are unclear who or what the Spirit is and what role he plays in our lives as individuals or as a church. This four week class will draw attention to the importance of the Holy Spirit for holy living as well as for daily mission.
