Vision Statement

Northview is meaningfully and powerfully led by the Holy Spirit through worship and prayer. The church makes a lasting difference in people's lives, connecting with the surrounding community and wherever God leads. We train as disciples of Jesus, are given the tools for lifelong learning, and serve in ministries where we are gifted. Everyone feels accepted, supported, and genuinely loved by others.

Life & Work

Northview Kids

Thank you everyone for a wonderful Northview Kids kick off! We had a lot of fun and learned about loving Jesus! As this ministry moves forward and COVID continues to be a reality we wanted to communicate to families who participate in the ministry. As we have done all along, we are following the lead of the SHA. This means that we are not enquiring into the vaccination status of any of our volunteers or participants. This means, like in other sectors, we are not making vaccination or rapid testing mandatory. Instead, we are requiring masks to be worn at all times, hand sanitizer to be used, and distancing to remain in place.

Nominating Committee

As we enter the new fall season, once again we need to prepare for the transition of board members. This year the nominating committee is seeking to replace one person who is coming to the end of their term. We ask that you would read the included nominating ballot to understand what the requirements are for a board member, then pray who God may be calling to serve in this role, and then submit a completed ballot into the box located on the information desk. Alternatively, please do the first two steps and then email your nomination to the committee Chair, Karen Kardynal: kkardynal@sasktel.net.

MEGaP Hosting

Our denomination, the Free Methodist Church in Canada, is once again interviewing candidates who are tracking toward ordained or credentialed ministry. The Ministerial Education Guidance and Placement (MEGaP) team will be using Northview to host these interviews on Saturday, October 16th. We are looking for someone who would host them on that day. This requires arranging food ahead for the day of (snacks, coffee, and a lunch) and then being on hand to help manage the time for the teams (notify when there is 10 minutes remaining on the interview). We also ask that you would open the church in the morning and lock it after the interviews. The time commitment would be approximately from 8:00 am to 4:00 pm. If you are interested in volunteering for this, please contact Pastor David.

New Pulpit

Last week a new pulpit arrived without much fanfare. The former pulpit was an older piece and not necessarily the most attractive. COVID has enabled us to pay more attention to our streaming presentation as more people attend our worship services online. Therefore, the new pulpit, being smaller and more transparent, is a better fit. It allows more of the platform to be seen as well as having a more up to date look. In short, it creates less of an obstacle without losing the importance of the symbol of the pulpit for the preached word of God. We are also considering how and where to display the banners within the room as those are important symbols too.
