Vision Statement

Northview is meaningfully and powerfully led by the Holy Spirit through worship and prayer. The church makes a lasting difference in people's lives, connecting with the surrounding community and wherever God leads. We train as disciples of Jesus, are given the tools for lifelong learning, and serve in ministries where we are gifted. Everyone feels accepted, supported, and genuinely loved by others.

Life & Work

Blanket Exercise

It's not too late to join in for our event with Jonathan Maracle (Mohawk) of Broken Walls. It's happening tonight **Sunday, June 4th from 7-9 pm.** Jonathan will lead us in some music and then he and Adam will lead us through the blanket exercise. This is a community event, so we encourage you to invite people to attend.

Save the Date

Our church BBQ will be on **Sunday, June 25th following the service.** This is an intergenerational event. We will have more details regarding location and what to bring in the weeks to come.

Let's Do Lunch

On **Sunday, July 2nd** we will have a team from Teen Challenge come and share about the work of that ministry. Following this service we'll host a pot luck lunch, so please plan on bringing a dish that will feed your house hold plus a bit more to share. For details please speak with Pastor Natasha.

Summer Music Leadership

For all of us, summer can be a busy time that includes vacation and travel. This is true for our Worship Music leadership too. As a result, we have a few weeks in July and August that we do not have a music leader scheduled. This is a good opportunity for **new leadership to step up!** Leaders are asked to select band members (we can help!) and music appropriate to Sunday's theme, find time to rehearse, and then lead on Sunday morning. **You do not need to be a professional musician** to do this (just ask Pastor David!). If you're thinking: **"I might be able to do that,"** please pray and then speak to Pastor David.

Journal Feedback

As the summer months approach we will be preparing another Ministry Journal for the 2023-2024 ministry year. In order to make this the best tool possible, we'd like to hear back from those who have used the journal over this year. What worked best for you? What would you add? What would you change? Please email office@northview.sk.ca.
