Pastor Belinda remains a vital part of our community while on longterm disability with her kidney disease. However, we've decided not to list her under our staff section in order to encourage our community to allow her the time and space she needs to heal. Please continue to pray for Pastor Belinda and Brett.

MISSION

Our mission is to embody Jesus in our neighbourhoods

CULTURE

Scripture Centred

We believe that Scripture, understood through the person of Jesus, should be at the centre of who we are and what we are to do. By doing this we ensure that we remain kingdom focused.

Community Oriented

We believe the community called church is a new family. This means we intentionally invite people to become a part of our life together. As well, we foster an environment in which we openly share what is happening in our lives with each other and seek to respond to each other with love and concern. We also seek to be a place of healing for all people.

Spiritually Equipped

We believe that God has gifted his body of believers, men and women equally, for the work of discipling and mission. Every believer has been equipped by God's Spirit to build up the body and/or to do works of service for the world. Everyone is encouraged to discover their gifts and share them to the best of their ability.

Worship Driven

We believe that authentic worship is everything that honours God. Worshiping God is the greatest fulfilment of our vocation to be bearers of God's image. Worship is an individual and corporate whole life offering which is grounded in our regular gathering for that purpose. Worship is about God first and last.

Missionally Minded

We believe that mission is the reason for the church's existence. Scripture describes God's great mission to redeem and renew all of his creation, particularly humanity. God has called us to participate in that mission, in the power and under the direction of the Holy Spirit.

Discipleship Focused

We believe that God is transforming us into the image of his Son. This means that we are intentionally submitting ourselves to be re-formed through daily practices that lead to spiritual growth. We also recognize that at the heart of our mission as a church, we are to disciple others through those same daily practices.

Prayer Dependent

We believe that prayer is essential to following after God. Like Jesus, we need frequent times when we are seeking God for a reaffirmation of our identity as God's people and a reminder of our mission. Like Scripture, prayer is a major discipline for our corporate body.

Importance of Community

Many of us have been taught to think about the Christian faith and the joy of salvation in individual terms. As a result, Christian community can be viewed as an 'extra' that is nice on occasion, but largely unimportant to the life of the believer. This perspective on community is simply bad theology.

While faith and salvation are personal they are never individual. As we attend to the narrative of Scripture we learn that God's mission is to redeem and renew his creation that is represented by his image-bearing humanity—every tribe, tongue and nation. When Israel is rescued through the Exodus it is the people of Israel as a whole, through whom God will redeem the nations, that is saved. When Jesus comes to redeem humanity from the power of sin he establishes his church, through whom the whole world will hear the good news.

One of the most fundamental claims of the Christian faith is that salvation is not simply reconciliation between me and God. Instead, it is also reconciliation between people—those like us and those unlike us. Baptism, in addition to incorporation into Christ, is incorporation into Christ's body, the church. This incorporation itself is a means of grace, as we cannot live the Christian life apart from the whole body of Christ. In this way the church—you and I in reconciled community—is an icon of God's redemption to the world.

So, Christian community is a foretaste of God's world to come that is meant to be experienced by our neighbours through us. This makes Christian community essential to our witness as we seek to embody Jesus in our neighbourhoods. Furthermore, this essential dynamic means that we must be intentional about being in Christian community with one another as part of what it means to be Northview Community Church.

It is always wonderful when new people come to Northview. We want to give people a chance to land and get to know our culture better. Our desire is that once people have become a bit more comfortable they will begin to move into deeper community with us; from the margins to the centre or from visitors to partners. As a church we have tried to think through how to build community, but community depends on people intentionally moving deeper. This guide is meant to be a help, especially for those new to Northview, allowing people to go deeper with us.

Pastor Natasha Frentz is heading up our community ministry. If you would like to have help connecting please contact Pastor Natasha: natasha@northview.sk.ca or 306.580.8558.

Show Up Regularly

Two essential ingredients for any community is time and proximity. Christian community is no different. Northview will only become a thriving Christian community when we each personally choose to make community building our priority. This means that we need the people who call Northview home to prioritize coming out and participating in our life together.

While this includes our Sunday morning worship service, it also includes the other opportunities that are described in this booklet. People can only integrate into our life together if they participate. And, participation and integration will only deepen with frequent attendance.

This call for frequent attendance isn't about increasing our numbers on a Sunday morning. We are not overly concerned with how many people attend on a Sunday morning. Rather, this is about our ability to grow as a Christ community. Each and every person is essential for the building up of the body. Your Spirit-gifted self is essential for our growth, and we are essential to your growth in Christ!

Sign Up

**VIEW OUR
CHURCH
DIRECTORY
ON YOUR MOBILE
DEVICE!**

FREE App for iPhone, iPad
& Android

Our church directory is a great resource tool that allows you to get to know our church family better!

Simply go to the App Store, search for *Instant Church Directory*  and download the FREE app to begin.

You will use your email address listed in the directory to CREATE A LOGIN the first time you use the directory app.

If you're not listed in the directory, OR if you have trouble logging into the app, please contact the church office.

An important way of being connected at Northview is through our church's Photo Directory. We use the *Instant Church Directory* app. We encourage everyone who calls Northview home to add themselves to this directory by sending an email to office@northview.sk.ca. In your email please add a digital photo of your household, the names of the members of your household, your address and contact information such as phone numbers and emails. Once you've done that then download the app and sign in.

Another way to be connected to Northview is to sign up for our weekly emails. When you sign up you'll receive emails with prayer requests and updates, the weekly bulletin and announcements, reminders about events, and service opportunities both inside and outside of the church. To sign up for the weekly email, simply send an email to office@northview.sk.ca and ask to be added to the email group.

Also, complete a connection card (found in the chair pocket) and place it in offering basket. Or you can complete it online: <https://northview.sk.ca/welcome-connect/>

Come Out and Play

Because community building is a priority for us at Northview, we intentionally provide opportunities for people to connect and build friendships. We eat together with regular potlucks, we have games nights, movie nights, and special events. So come out as often as you can to eat, play and have fun! These are great opportunities to deepen community.

These opportunities are usually included in our Sunday morning announcements, but we also plan them and include them in our ministry journals. If you would like a ministry journal—which tells you what is happening at Northview from September to August—contact Pastor David: david@northview.sk.ca or 639.999.0025.

Become a Partner

As a part of the Free Methodist Church in Canada we use the language of Partnership rather than Membership. “Membership” tends to be a bit static, indicating that this is where I go to church. Whereas “Partnership” is dynamic, reflecting our conviction that we are here to engage in God’s mission.

As people who are new to Northview get better connected with us, we want to ensure that we are focused on being a *Christian* community. This means that *mission* is at the centre of who we are and what we do as a community.

As such, we offer a Partnership class on a regular basis (we have them scheduled, but we will also do them as there is interest). In the Partnership class you will learn more about the purpose and mission of Christ’s church, the mission of the FMCiC, and Northview’s mission.

This class can be simply informational, to get to know us better. Or, if at the end you are ready to partner with us, then you will be invited to become a Northview partner. Speak to Pastor David for more information.

Serve our Neighbourhoods

Whether you choose to be a partner or not, Northview is committed to being a vital neighbour in our Argyle Park, Englewood and Hawkstone neighbourhoods. So there are lots of opportunities to serve our neighbours. In partnership with the Argyle Park North Community Association (ANCA), we host regular community events. We also host our own initiatives such as the Halloween Warming Centre. And, we are increasing our neighbourhood service through our LifePlan initiatives (for more information speak with Pastor David).

All of these provide Northview an opportunity to live out our community life in mission.

Use Your Gifts

Northview Community Church owns a building, a garage, and the land that they sit on. One of the realities of this ownership is that regular maintenance, up keep and improvement must be done. Much of this up keep is done through church volunteers.

As well, our active life together in various ministries requires people to use their gifts, natural and spiritual.

All this is to say that there are many places at Northview for people to use their gifts and expertise. We want to encourage everyone who calls Northview home to discern and use the gifts that the Spirit of God has given to them. As well, for people to use their natural gifts and talents (also from God) to contribute to our life together.

To get connected to the right area for service, please contact the office or Pastor Natasha.

Small Groups

At Northview we have two types of small groups: Purpose Groups and Life Groups.

Purpose Groups are groups designed for a particular demographic or purpose such as our Seniors' group, our Moms' group, or our Youth groups. These are open to select people.

Life Groups are more open and diverse, encouraging people of all ages and stages to gather around how to live out our Christian lives in our daily life. These groups typically centre around sharing of our lives and struggles, discussion, prayer and Scripture. Often Life Groups gather around a meal together.

If you would like to find out what Purpose Groups are available at Northview or would like to join a Life Group, please contact the office or Pastor Natasha.

Build Friendships

An organization or institution can only do so much. For deep Christ community to occur, people need to be intentional about building friendships. So we want to encourage everyone at Northview—old or new—to be intentional about inviting people into your home. It doesn't have to be an eight course meal. It can be as simple as coffee. Just make the invitation.

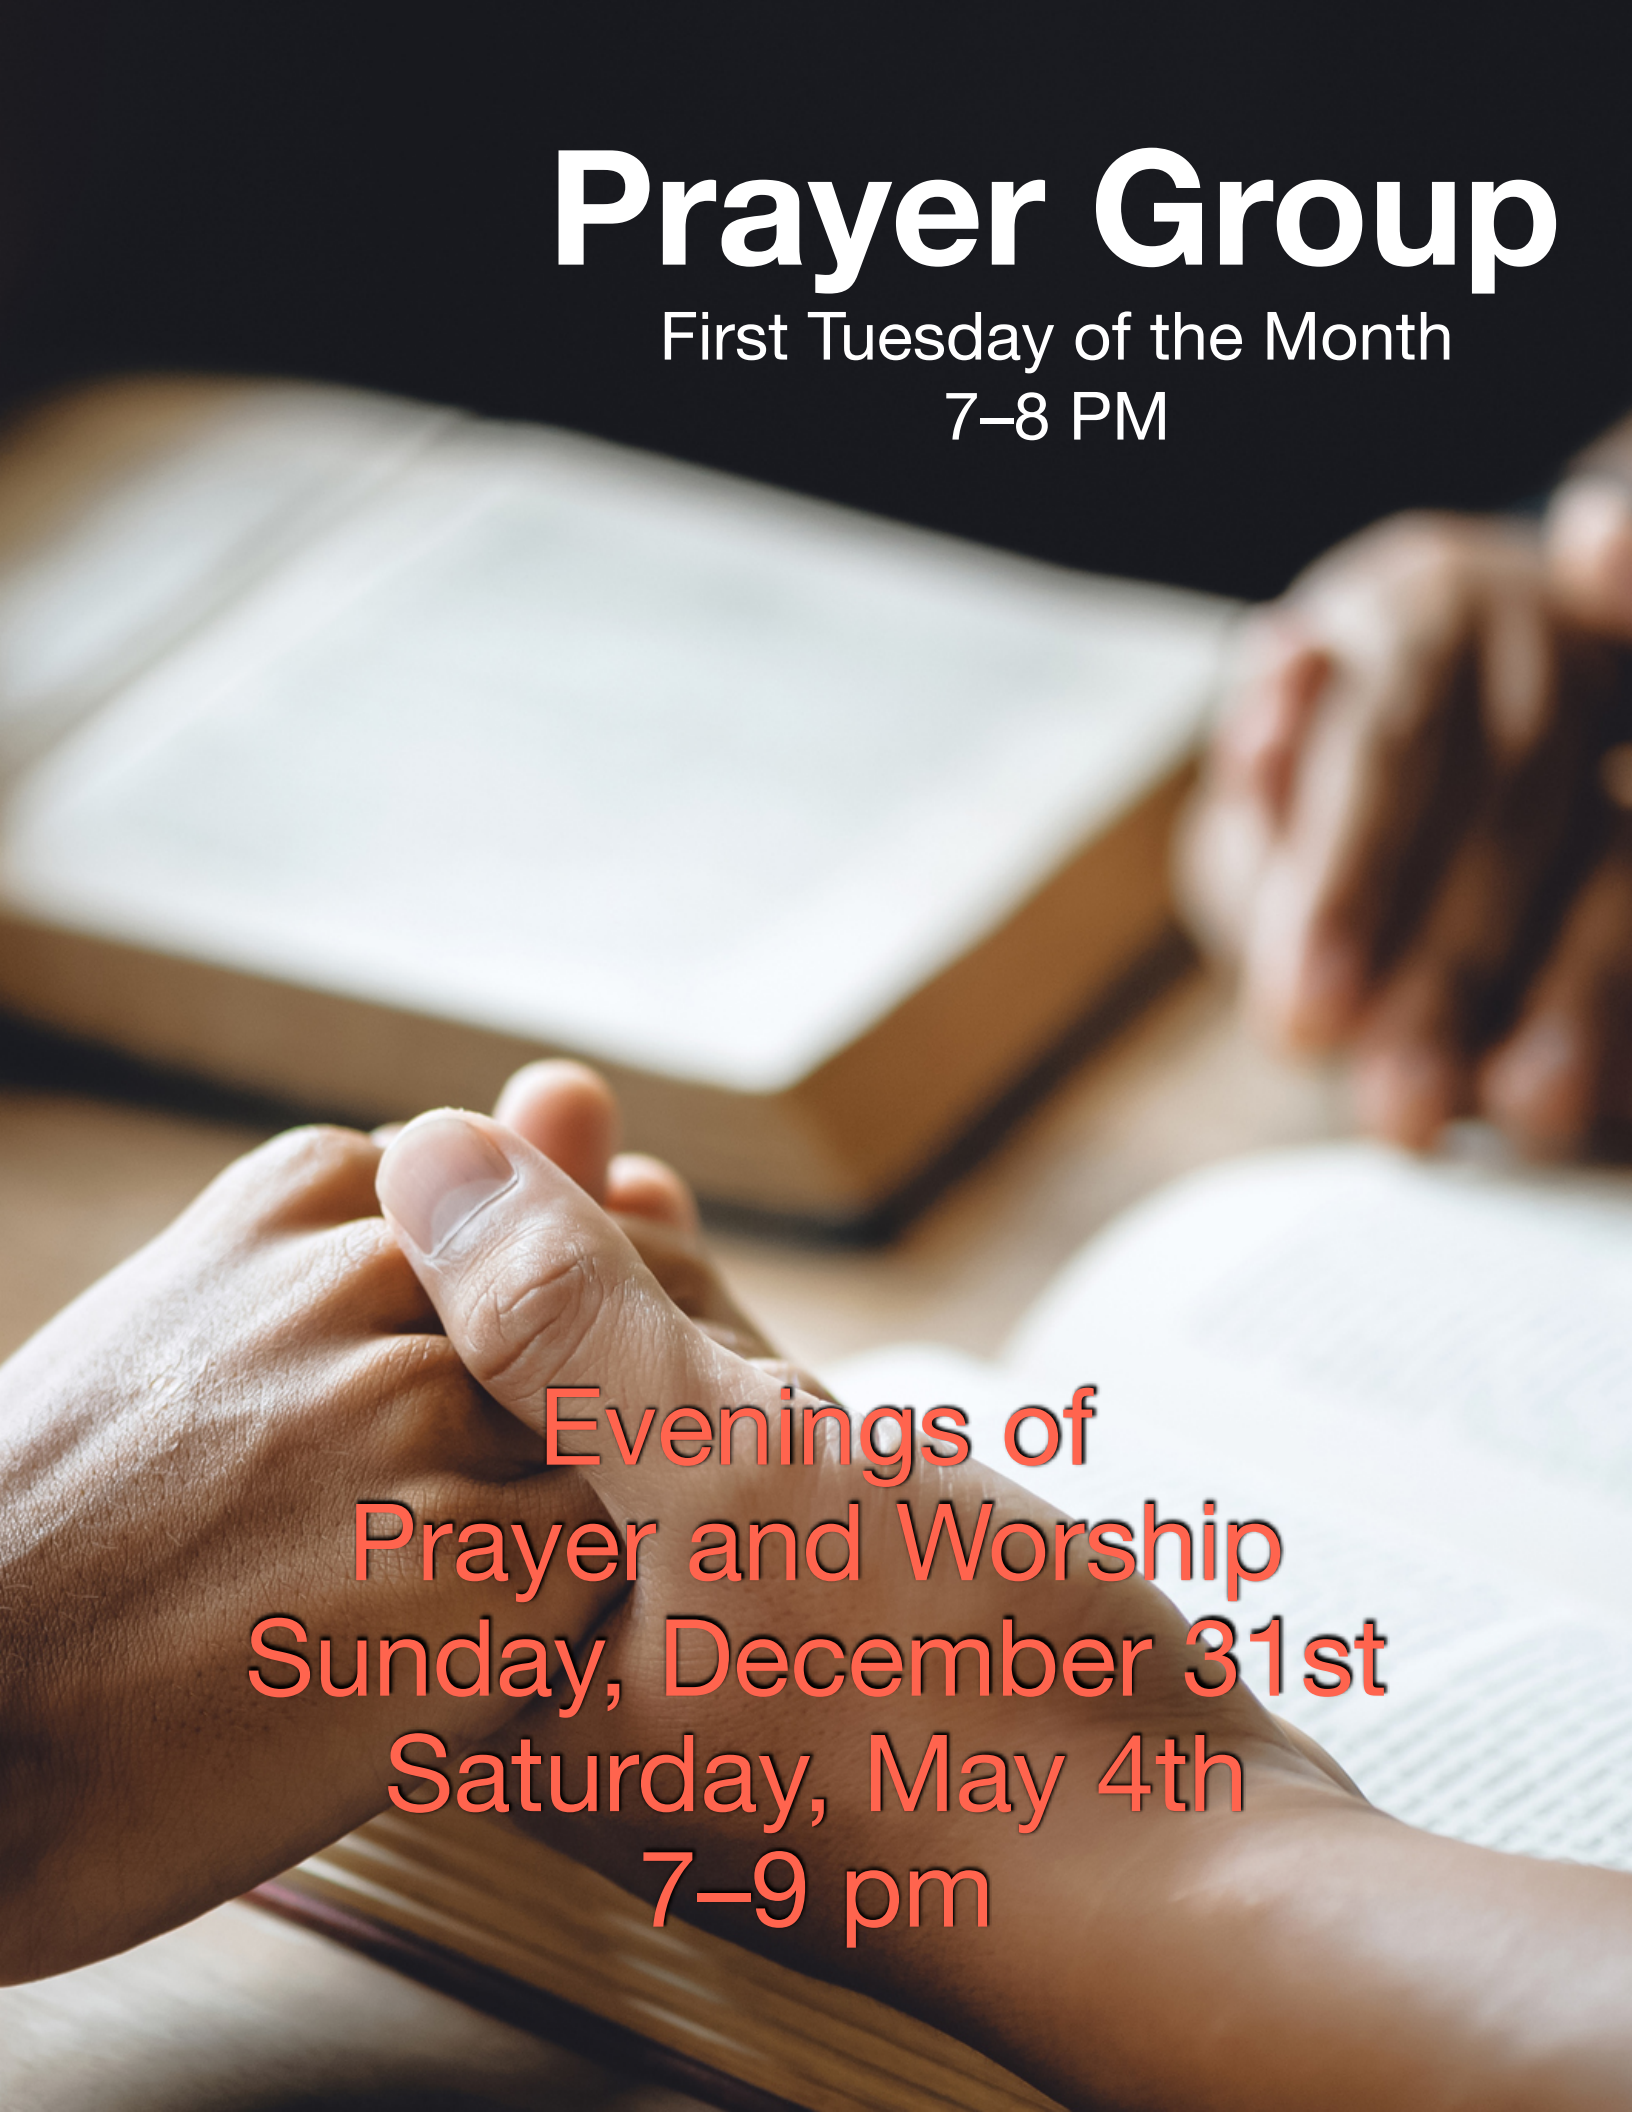

For people who have been a part of Northview for a long time, please be on the look out for new people to invite over. However, new people you too can take a risk and invite people home.

Your house doesn't need to be perfectly clean or tidy. Make the new friendship the priority instead.

Christian Education

Fall 2023

“Spiritual formation in Christ is an orderly process. Although God can triumph in disorder, that is not his choice. And, instead of focusing upon what God *can* do, we must humble ourselves to accept the ways he *has chosen* to work with us. These are clearly laid out in the Bible, and especially in the words of Jesus. He invites us to leave our burdensome ways of heavy labor—especially the “religious” ones—and step into the yoke of training *with him*. This is a way of gentleness and lowliness, a way of soul rest. It is a way of inner transformation that proves pulling his load and carrying his burden with him to be a life that is easy and light (Matt 11:28–30).”

Wednesday Evenings From 7.00–8.30 PM in the Sanctuary

1. September 06 “Introducing Spiritual Formation” (Chpt 1)
2. September 13 “Heart in the System of Human Life” (Chpt 2)
