

Being With Jesus: A Reflection on Last Week's Sermon

All potential Christ-like transformation for the church and for her members depends 100% on being with Jesus. No true transformation can occur apart from this.

What is absolutely crucial to understand is that to be with Jesus is a heart, not a practice disposition. We can go to church, read our Bible, say our prayers, give to the poor, and a whole host of other things and not for one second are we actually with Jesus. This is why Paul writes in about the necessity of love in 1 Corinthians:

If I speak in the tongues of men or of angels, but do not have love, I am only a resounding gong or a clanging

cymbal. If I have the gift of prophecy and can fathom all mysteries and all knowledge, and if I have a faith that can move mountains, but do not have love, I am nothing. If I give all I possess to the poor and give over my body to hardship that I may boast, but do not have love, I gain nothing (vv. 1-3).

Does your heart long to be with Jesus? All God needs is a spark of desire, and he will fan your heart into a blaze. Whether you find desire missing or you want the little you have to increase, the method to obtain it is the same. Attend to the means of grace and ask, seek, and knock for God to warm your heart.

Open up to other trusted Christians to pray with you and seek with you. And, soon enough, you will glow!
