

Stage Three *The Intentional Transition Process*

Transition Process and Progress at Northview Community Church

Beginning in June pastor David will be doing a 'soft' transition. This means he is handing off most of the 'extra' responsibilities he has been taking care of for several years. One of those responsibilities is our weekly newsletter. Under pastor David, this section has been mainly for a reflection on the previous Sunday's sermon, but during this transition time, it will now feature transition information.

Likely, it will just hold the same information week by week, and then it will be updated as things progress. Our delegate, Alfred, will be responsible for these updates, and they will be completed by our administrator, Jenna. Please contact Alfred with any questions or concerns.

There are 5 stages to the transition process:

1. Announcing (Complete)
2. Assessing (Complete)
3. Processing (In progress)
4. Preparing Profile
5. Interviewing

During our current stage, the board will form the transition team. The transition team will start its work to complete a new LifePlan to help identify the needs of the congregation. This will help define the requirements for the future lead pastor's job description.

Please support the transition through prayer: for the Northview Board, the transition team, the transition team's work, and Pastors Natasha, Calvin, and David.

Please also pray for unity and love in our life together!
