

Greetings Northview,

As we go through the transition period, we would be completing a life plan together to understand the type of ministry we want as a church to guide the process to get a new lead pastor. We would like to hear from everyone since your voice and participation matters very much to help us understand our ministry needs as a community. Starting September 6th, we will be sending out a **congregational survey** as part of the life plan process. This will be on google forms. You will receive an **email with a link** to click to complete this survey. We would encourage all to take time to complete this survey. The survey is opened till Sunday September 20th.

Kindly find a breakdown of some activities we would undertake as part of the Life plan process

1. Congregational Survey starts – September 6th
2. Congregational Survey ends – September 20th
3. September 20th - Transition Team begins works on data gathered to prepare reports
4. October 11th – October 24th – Church wide Prayer and Fasting seeking God's guidance
5. October 25th – Dream Session – It will be a potluck style after church service. The Dream Session is a time to review all the information gathered from our inputs and data gathered from the community into a report to help us know what our church community wants and the type of lead pastor we will want to have to guide the transition team to prepare the job description of the lead pastor before the job posting.

Kindly take time to pray along as we undertake this important exercise. Please share any questions you have with the transition team.

Thank you.
