Transition Process and Progress at Northview Community Church

Greetings Northview,

Thank you for your presence and contributions during our dream session on October 25th. We will share the Life Plan Report for 2026 in the next few weeks.

Kindly continue to pray for our church community as we navigate through this transition moments. We are currently on Stage four: The Search Process (preparation and posting). Kindly continue to pray for the process.

This week's prayer material is on Practicing Silence. Silent moments help us to connect closer to God to hear His still small voice.

"Be still and know that I am God; I will be exalted among the nations, I will be exalted in the earth." – Psalm 46:10

Thank you.

Weekly Quote

"There are two dangers frequently fallen into by the unwary. On the one side of the path is the ditch of legalism. Paul has spent much of the Book of Galatians so far warning against falling into this ditch of legalism. But on the other side of the gospel path is another ditch, that of license or antinomianism. In either case, we are falling off the straight and narrow path of following Christ by faith. The old slogan is good to remember to keep your mind clear at this point: We are saved by faith alone, but not the faith that remains alone."
