## Transition Process and Progress at Northview Community Church

Greetings Northview!

We trust your week went very well, and you had some time to meditate and pray along as we wait on God for divine directions. What did God speak to you about this week? What did you ask God for in your life and the life of Northview? What role and gifts are you prompted to share with our community? How much more faith have you gain this week? God has been speaking to all of us this week and there has been a lot to ponder over. We hope you have a lot to share during our dream session next week. Kindly continue to PRAY together as we seek God's face in the life plan and ministry of Northview and the leadership we would like to have. We have attached a report on the congregational survey and information gathered from our neighbouring community. Kindly prayerfully review this before we gather for our dream session on October 25th.

This week's prayer material is on the prayer hand – Confession, Petition, Intercession, Thanksgiving and Praise. It is an easy way to strengthen your prayer life practically by using this prayer model to enhance your prayer life.

Please find below additional activities planned as part of the life plan as we Seek God's directions together.

October 16th – Sharing of the report on data/information gathered for review prior to the dream session.
October 25th – Dream Session – It will be a potluck style lunch after church service.The Dream Session is a time to review all the information gathered from our inputs and data gathered from the community into a report to help us know what our church community wants and the type of lead pastor we will want to have to guide the transition team to prepare the job description of the lead pastor before the job posting.

Let's be encouraged by Romans 8:28 – "In all things God works for the good of those who love Him, to them who are called according to his purpose"

Thank you.

# Weekly Quote

"Zacchaeus's eagerness abounds. He "came down at once and welcomed [Jesus] gladly." The text doesn't say this, but when we read this story we get no sense of pride or that Zacchaeus thought so highly of himself that he deserved to have Jesus come to his house. No, the sense we have been given throughout this story is of his desire to be in contact with Jesus."
