Transition Process and Progress at Northview Community Church

Greetings Northview!

This Sunday is our Dream Session. If you have not had the chance to review the report sent kindly take time to review. There are some core questions we will be reviewing together;

1. What does God want us to do in light of what we know about ourselves, our neighbourhoods, and beyond?
2. If God showed up and made this church into the community He wants it to be, what would it look like?
3. If, in two years, we brought in a documentary crew into do a story of how God brought us into His future, what do you think they would be taking pictures of?

We will then discuss What your 4–5 top priorities are that we can work on together?

This week's prayer material is on Discerning God's Work in You: Walking in the Fruit of the Spirit.

Kindly stay behind after service to share a meal together and contribute to the Dream Session.

Let's be encouraged by Romans 8:28 – "In all things God works for the good of those who love Him, to them who are called according to his purpose"

Thank you.

Weekly Quote

"Jesus teaches us that it all starts simply by joining someone on their journey: Walking with them. Talking to them. Listening to them. It starts there. This might mean opening ourselves to someone else's pain. That's part of being with another person and caring for them in the way Jesus teaches. Sometimes we want to skip this step. But Jesus shows us in this story how important this step is. To listen to someone share their pain and their grief. To be present to them. This is the first step to ministering to another person. Before we ever share our faith, we listen. As Jesus did."
