Happy Thanksgiving Northview!

Bible encourages us in Psalm 107:1 **to give thanks to the Lord, for He is good and His love endures forever**. May we find time this week to reflect on the goodness of God around in family, community and peaceful co-existence. As we continue with our transition process we would like to thank everyone for your input in completing the congregational survey and regularly asking to check on how the transition is going. The transition team is processing the information/data to help understand our needs as a congregation and the kind of ministry we would like to have – this will help shape the job description and job profiling of our next lead pastor. Kindly continue to **PRAY** together as we seek God's face in the life plan and ministry of Northview and the leadership we would like to have.

This Sunday starts our **prayer and fasting** and ends on October 24th. Continue to use the prayer materials shared. I encourage all to especially use the 30-days Thanksgiving prayer material to guide our daily prayer life in the month of October as we reflect on God's grace and blessings over our life. Also find attached this week's prayer material on **Four Ideas for prayer and fasting**.

Please find below additional activities planned as part of the life plan as we **Seeking God's Directions Together.**

1. October 16th – Sharing of the report on data/information gather for review prior to the dream session.
2. October 25th – Dream Session – It will be a potluck style after church service. The Dream Session is a time to review all the information gathered from our inputs and data gathered from the community into a report to help us know what our church community wants and the type of lead pastor we will want to have to guide the transition team to prepare the job description of the lead pastor before the job posting.

Let us continue to pray without ceasing for our God is a good God!

Thank you.
